When the squire of a tidy English village dies, leaving his estate to his American ward Sylvia (Blane), no one is surprised. He was old, his heart was failing. But upon his death the troubles start: attractive middle-aged woman Claire (Dare) presents proof that she had secretly married the squire, disinheriting Sylvia. This generates rumors in the village so fierce that the squire's body is re-examined, revealing he had been murdered! This clever, surprisingly cinematic whodunit is a fine example of the genre.
